

BALTIC17

4th Baltic Meeting in conjunction with the EAU
26-27 May 2017, Vilnius, Lithuania

www.baltic17.org

Friday 26 May 2017

08.30 – 08.40 Welcome

M. Jievaltas, Kaunas (LT)
A. Kotsar, Tartu (EE)
P. Vaganovs, Riga (LV)
C.R. Chapple, Sheffield (GB)

08.40 – 09.10 EAU Lecture

Good practice of PSA screening: Lessons from Swedish experience
G.M. Ahlgren, Malmö (SE)

09.10 – 10.50 Urogenital cancer

Chairs: F. Jankevičius, Vilnius (LT)
P. Vaganovs, Riga (LV)

09.10 – 09.30 The role of mpMRI in decision making for screening and focal therapy of prostate cancer

J.P.M. Sedelaar, Nijmegen (NL)

09.30 – 09.50 Is quality of life after surgery for high risk prostate cancer better than after radiotherapy?

S. Joniau, Leuven (BE)

09.50 – 10.10 Upper-tract urothelial cancer – Is it the same bladder cancer?

A. Ploumidis, Athens (GR)

10.10 – 10.30 Renal mass biopsy: Whom and how

A. Volpe, Novara (IT)

10.30 - 10.50 Fluorescent cystoscopy-assisted TUR: does it affect outcome in NMIBC patients?

A.I. Rolevich, Minsk (BY)

10.50 – 11.15 Coffee break

11.15 – 12.30 Poster session 1: Diagnosis and management of kidney cancer

Room: Lamda
Chairs: D. Milonas, Kaunas (LT)
A. Volpe, Novara (IT)

Poster session 2: Miscellaneous

Room: Theta
Chairs: B. Djavan, Vienna (AT)
T. Tamm, Tallinn (EE)

12.30 – 13.15 Industry sponsored session

See programme page tbc

13.15 – 14.15 Lunch

14.15 – 15.00 Industry sponsored session

See programme page tbc

15.00 – 16.00 Young Urologists Competition

Chairs: J.P.M. Sedelaar, Nijmegen (NL)

Judges: M. Jievaltas, Kaunas (LT)

A. Kotsar, Tartu (EE)

P. Vaganovs, Riga (LV)

15.00 – 15.15 Modern approach to hereditary prostate cancer

A. Patasius, Vilnius (LT)

15.15 – 15.30 Characteristics and outcomes of patients with urosepsis in an intensive care unit

A. Freimanis, Riga (LV)

15.30 – 15.45 Management of urethral trauma – to realign or not to realign?

R. Okas, Tallinn (EE)

15.45 – 16.00 Importance and limits of warm ischemia during partial nephrectomy

L. Suslov, Minsk (BY)

16.00 – 16.45 Urolithiasis and LUTS

Chairs: T. Tamm, Tallinn (EE)

E. Vjaters, Riga (LV)

16.00 – 16.15 Metabolic evaluation in prevention of urinary stone recurrence: What is the evidence?

M. Kivi, Tallinn (EE)

16.15 – 16.30 Large prostates: Knife or laser? Is it open prostatectomy still “gold standard”?

A. Gaižauskas, Vilnius (LT)

16.30 – 16.45 Understanding nocturia in older men

H. Hashim, Bristol (GB)

16.45 – 17.00 Coffee break

17.00 – 18.15 Poster session 3: Advances in diagnosis and management of prostate cancer

Room: Lamda

Chairs: S. Joniau, Leuven (BE)

A. Kotsar, Tartu (EE)

Poster session 4: Miscellaneous

Room: Theta

Chairs: H. Hashim, Bristol (GB)

M. Jievaltas, Kaunas (LT)

ESU/ ESUT Hands-on Training courses in Laparoscopy

Course Coordinator: J. Klein, Ulm (DE)

Format: Introduction by course coordinator (15 minutes)
Hands-on-training at different models (80 minutes)
Questions and answers, tips and tricks (25 minutes)

09.00 – 10.30

Course 1

Chair: J. Klein, Ulm (DE)

Tutors: V. Eret, Plzeň (CZ)
J. Sabalys, Vilnius (LT)

14.00 – 15.30

Course 2

Chair: J. Klein, Ulm (DE)

Tutors: V. Eret, Plzeň (CZ)
J. Sabalys, Vilnius (LT)

16.30 – 17.30

Course 3

Case discussions, Tips & Tricks and Experience exchange

Tutors: J. Klein, Ulm (DE)
J. Sabalys, Vilnius (LT)

Course 3 focusses on the technical aspects of interesting clinical cases. Two expert surgeons discuss 1-2 prepared cases, each that show a difficult situation that occurs during surgery (e.g. management of bleeding of the renal pedicle during lap. nephrectomy) and how to manage this situation. The cases are prepared by the tutors of the course and discussed with the participants of the course in an interactive way. Furthermore special tips & tricks are shown and/or discussed by the tutors. This leads to an experience exchange that is beneficial for every participant of the course.

You can register for these courses at the EAU registration desk!

Aims and objectives

Laparoscopic procedures are continuously evolving in urology based on the increasing expertise of urologic surgeons. This includes ablative procedures, such as radical nephrectomy as well as reconstructive techniques, such as pyeloplasty. Some advanced procedures (i.e. radical prostatectomy, radical cystectomy) have both, ablative and reconstructive steps. Since the number of centres with laparoscopic expertise is still limited in Europe, laparoscopic training programmes have become very important. Hands-on training courses at the pelvi-trainer represent one of the main steps of such courses. Finally, all remaining questions can be answered and discussed with all tutors including the demonstration of tips and tricks.

Saturday 27 May 2017

08.30 – 09.30 Reconstructive and functional urology

Chairs: A. Kotsar, Tartu (EE)
D. Trumbeckas, Kaunas (LT)

08.30 – 08.45 Failed urethral reconstruction

C.R. Chapple, Sheffield (GB)

08.45 – 09.00 Modern management of Peyronie's disease

D. Trumbeckas, Kaunas (LT)

09.00 – 09.15 Myths and facts of vasectomy

A. Abele, Riga (LV)

09.15 – 09.30 Renovascular reconstruction of grafts in kidney transplantation or other

J. Kahu, Tartu (EE)

09.30 – 09.45 Coffee break

09.45 – 12.15 ESU Course

Flexible URS (RIRS: retrograde intra-renal surgery)

Chair: O. Traxer, Paris (FR)

09.45 - 09.50 European School of Urology: a unique possibility for urological education

O. Traxer, Paris (FR)

09.50 - 10.05 EAU Guidelines recommendations on retrograde intra-renal surgery

G. Giusti, Milan (IT)

10.05 - 10.30 Flexible Ureterorenoscopes: What do we have in 2017?

G. Giusti, Milan (IT)

10.30 - 10.50 Holmium YAG Laser: the best partner for RIRS

O. Traxer, Paris (FR)

10.50 - 11.10 RIRS Technical aspects and Tips and Tricks

O. Traxer, Paris (FR)

11.10 - 11.25 How to prevent and manage complications in RIRS

G. Giusti, Milan (IT)

11.25 - 12.15 Interactive case discussion

Local + ESU faculty

12.15 – 13.15 Industry sponsored session

See programme page tbc

13.15 – 14.15 Lunch

14.15 – 15.30 Poster session 5: Advances in the management of urothelial bladder cancer

Room: Lambda

Chairs: J.P.M. Sedelaar, Nijmegen (NL)

P. Vaganovs, Riga (LV)

15.30 – 16.10 Progress of current management in advanced urotelial and prostate cancers

Chairs : B. Djavan, Vienna (AT)

M. Jievaltas, Kaunas (LT)

T. Tamm, Tallinn (EE)

15.30 – 15.50 Immune check point blockade for bladder cancer – where are we?

M-O. Grimm, Jena. (DE)

15.50 – 16.10 mCRPC resistance to androgen signalling targeting drugs: Prediction and overcoming

T. Visakorpi. Tampere (FI)

16.10 – 16.25 Awards for Best Poster Presentation and Young Urologist Competition

16.25 – 16.30 Closing remarks and farewell

ESU/ ESUT Hands-on Training courses in Laparoscopy

Course Coordinator: J. Klein, Ulm (DE)

Format: Introduction by course coordinator (15 minutes)
Hands-on-training at different models (80 minutes)
Questions and answers, tips and tricks (25 minutes)

08.00 – 09.30

Course 1

Chair: J. Klein, Ulm (DE)

Tutors: V. Eret, Plzeň (CZ)
J. Sabalys, Vilnius (LT)

12.00 – 13.30

Course 2

Chair: J. Klein, Ulm (DE)

Tutors: V. Eret, Plzeň (CZ)
J. Sabalys, Vilnius (LT)

14.30 – 15.30

Course 3

Case discussions, Tips & Tricks and Experience exchange

Tutors: J. Klein, Ulm (DE)
J. Sabalys, Vilnius (LT)
